Earworm - Media Art from Kiasma

1. Art Analysis

Interpreting video art through art analysis. Choose one artwork and create a short analysis by answering the following questions:

What do I feel?

a) How does the artwork make you feel? Write words or short sentences about the thoughts and feelings that come to your mind when you watch the artwork for the first time.

What do I see?

b) Now look at the artwork more carefully and describe what you can see and what is happening in the artwork.

Why?

c) Think about why the artist chose to show the subject in this way. What do you think the artwork is trying to tell us? This is your own free interpretation of the artwork.
